Consultant (C&D) – With the request to upload the same on the Institute's website and Govt. Portal.

General Conditions

1. The work shall be executed as per CPWD specifications with up to date correction slips.
2. Rates :- Unless otherwise provided in the description of various items of work, the rates tendered by the contractor shall be for completed items of work covering all materials, labour carriage, royalties, fees, rents, sales tax, octroi, wastage, tools, plant, equipment, transport, temporary constructions, overhead charges and profits as well as general liabilities, obligation and risks, arising out of the conditions of contract and carrying out of the work in part(s) or under/ across/along pipes cables ,drains etc. complete and shall apply to all heights, depths, lead and lifts. No extra charges, whatsoever, consequent on any misunderstanding or otherwise shall be allowed.
3. No. revision in rates due to change/closure of sources of materials:- Collection of materials at the site of work for the proper execution of the work as per specifications shall include all leads and lifts. The rates of various items of work shall hold good irrespective of the quarry or source from which materials are brought so long as these conform to the specifications. Closure or change of any particular quarry or source shall not entitle the contractor to claim any revision in rates.
4. Some restrictions may be imposed by the police authorities etc. on the working and/or movement of labour, materials etc. The contractor shall be bound to follow all such restrictions/instructions and no claim of payment on this account whatsoever shall be entertained.
- 5. Compensation for damage by rains, floods or other natural calamities: -** No compensation for any damage caused to the work or materials by rains, floods or other natural calamities shall be paid to the contractor. The contractor shall have to make good all such damages at his own.
- 6. Work on Sundays and holidays:-** If the contractor shall execute any work not in ordinary working hours in the absence of the Engineer-in-Charge or his authorized representative and without having previously given him sufficient notice in writing that such work were about to be executed, he shall take up and reconstruct any work so executed at his own cost and expenses if ordered to do so by the Engineer-in-Charge in writing under his hand.

7. Work not done in ordinary working hours :- If the contractor shall execute any work, not in ordinary working hours, in the absence of the Engineer-in-charge or his authorized representative and without having previously given him sufficient notice in writing that such work was about to be executed, he shall take up and reconstruct any work so executed at his own cost and expenses, if ordered to do so by the Engineer-in-charge in writing under his hand.

8. Clearance of site :- The contractor shall clear the site of work simultaneously as the work proceeds failing which the same shall be got cleared by the Engineer-in-charge at the risk and cost of the contractor by giving him one day notice.

9. Possession of site:- The contractor shall not be permitted to enter on (other than for inspection purposes) or take possession of the site until instructed to do so by the Engineer-in-charge in writing. The portion of the site to be occupied by the contractor shall be defined and/or marked on the site plan and the contractor shall on no account be allowed to extend his operations beyond these areas. In respect of any land allotted to the contractor for purposes of or in connection with the contract, such use or occupation shall not confer any right of tenancy of the land to the contractor and the contractor shall vacate the land on demand by the Engineer-in-charge.

10. The contractor shall store materials, keep the T & P, install water & power system, electrical and mechanical equipments and construct all temporary structures etc. on the site only at places approved by the Engineer-in-charge. Should such places be required by the Engineer-in-charge for any other purposes, the contractor shall clear the places within such time as may be instructed by the Engineer-in-charge. In case of default, the same shall be got cleared by the Engineer-in-charge at the risk and cost of the contractor.

11. Temporary access to the site:- The contractor shall provide onsite temporary access to the site and shall alter, adapt and maintain the same as required from time to time and shall take up and clear them away as and when no longer required and as and when ordered by the Engineer-in-charge and make good all damages done to the site.

12. The contractor shall be bound to bear the expenses of defence of every suite, action or other proceedings at law that may be brought by any person for injury sustained or damages to any property, whatsoever, which may arise out of or in consequence of the construction and maintenance of works owing to neglect of the proper precautions and to pay any damages and costs which may be awarded in such suite, action or proceedings to any such person or which may with the consent of the contractor be paid to compromise any claim by such person. He shall also indemnify and keep indemnified the MDNIY against all damages and costs consequent upon such claims arising from any such injuries or damages to person(s) or property.

13. Income tax deductions :- Income tax, as applicable under the Income Tax Rules framed from time to time by the Govt. of India, at the prescribed rates shall be recovered from each bill of the contractor.

14. Other Tax deductions: - Taxes applicable of Govt. of NCT of Delhi at the prescribed rates shall be recovered from each bill of the contractor.

15. Cess @ 1% of the cost of construction/work incurred by an employer for the purpose of Building and other Construction workers (Regulation of Employment and conditions of service) Act 1996 shall be deducted at source from the Bills of the Contractor/firms.

16. Treasure, trove, fossils, etc.: All fossils, coins, articles of value or antiquity, any structures and other remains or things of geological and archaeological interest discovered on the site shall be absolute property of the MDNIY and the contractor shall take reasonable precautions to prevent his workmen or any other persons from removing or damaging any such article or thing, shall immediately upon discovery thereof and before removal acquaint the Engineer-in-charge with such discovery and carry out the Engineer-in-charge's directions as to the disposal of the same.

17. Arrangements for electric connection: - The contractor shall make his own arrangements for obtained electric connection, if required, and make necessary payments direct to the department concerned.

18. The contractor shall make the arrangement of water himself for construction purpose by providing water tanker for which nothing extra shall be paid to the contractor.

19. The building rubbish and dismantle material shall be dispose of by the agency himself from the site of work and nothing extra shall be paid for the same.

20. Payment shall be made as per actual work executed at site of work.

21. All taxes except service tax shall be payable by the contractor and MDNIY shall not entertain any claim whatsoever in this respect. However, in respect of service tax same shall be paid by the contractor to the concerned department on demand and it will be reimbursed to him after satisfying that it has been actually and genuinely paid by the contractor.

22. Contractor shall make the arrangement of transport to get the factory visited by the Engineer-in-Charge as and when required for inspecting the doors during construction and shall provide all the instruments / tools for checking doors as required by the Engineer (i/c).

23. Manufacturer's test certificate of doors confirming to table 3 of IS 14856 shall be submitted by the contractor while submitting the bill.

24. The work should be completed within 60 days from the date of issue of work order.

Annexure-‘B’

Special Conditions for RCC

1. The work shall be executed as per latest CPWD specifications and IS 456 code.
2. Fe-500D steel bars confirming to IS 1786 shall be used in work.
3. Rates are inclusive of wastage and nothing extra shall be paid for the same.
4. The work shall be executed as per structural drawings and design issued by the MDNIY.
5. Only steel shuttering shall be used in the work.

Annexure - C

Special Conditions for Cement

1. The contractor shall procure 43 gradated ordinary Portland cement conforming to IS:1489(Part-1) as required in the work, from reputed manufacturers of cement such as ACC, Ultratech, Vikram, Shree Cement, Ambuja, Jaypee Cement, Century Cement & J.K. Cement or from any other reputed cement manufacturer.
2. The actual issue and consumption of cement on work shall be regulated and proper accounts maintained. The theoretical consumption of cement shall be worked out as per DSR 2011. In case the cement consumption is less than theoretical consumption including permissible variation, recovery at the rate so prescribed in CPWD specifications shall be made. In case of excess consumption no adjustment need to be made.
3. The cement brought to the site and the cement remaining unused after completion of the work shall not be removed from site without the written permission of the Engineer-in-Charge.
4. The damaged cement bags shall be removed from the site immediately by the contractor on receipt of a notice in writing from the Engineer-in-Charge. If he does not do so within 3 days of receipt of such notice, the Engineer-in-Charge shall get it removed at the cost of the contractor.
5. Supply of cement shall be taken in 50 Kg bags bearing manufacturer's name and ISI marking on each bag.
6. 32 Nos. cement bags shall be procured by the contractor himself and nothing extra shall be paid for the same.
